Why work for us?	<ul style="list-style-type: none"> • Family friendly policies • Pension - 3% employer contribution increasing after 5 years and matched to 5%. Increasing each year thereafter. Max 10% • Annual co-owner bonus • Family friendly social events • On-site parking • Firewood allowance • Cycle to work scheme • All travel, food & accommodation provided while away on site. • £350 Annual Tool & Equipment allowance. • Subsidised personal accident/income protection insurance scheme. • We operate out of 3 rural locations in Devon and Scotland.

Role overview:

We are looking for experienced and trainee timber frame carpenters to join our team in Devon.

Working as a timber framer for Carpenter Oak is more of a vocation than a job. We develop, train and help you build a long term career as a professional traditional timber frame carpenter.

Our work covers the full spectrum of timber builds, from major heritage projects through to exciting contemporary timber engineering schemes; both residential and commercial.

If you want to join a progressive, employee owned business, whilst utilising your carpentry skills and experience on a wide range of build projects, using a variety of materials and methods, then we want to hear from you.

Depending on whether you're experienced or looking to train, no specific qualifications are required, but any of the following would be useful:

- Carpentry qualifications: NVQ, City & Guilds etc.
- CSCS card, H&S test, First aid, Forklift, Chainsaw, Scaffold towers
- Crane & lifting operations: Slinger, Lift Supervisor, Appointed Person

Requirements:

General characteristics and skills	<ul style="list-style-type: none"> ● Enthusiasm, enjoyment for work.
